- **Seniors-be sure to get your pictures in for the senior assembly slideshow! Scan the QR code in your Econ classes to submit up to three photos. The deadline to submit is April 3.**
- **Attention students that are interested in playing boys summer basketball and off-season training: there will be a meeting for parents and players on March 30th at 5:30pm in Room 205.**
- **Hey Sabino! Tonight is your last chance to see *Seussical*! The show starts at 7PM in the auditorium and tickets are \$15 for adults, \$10 for students. Additionally, due to issues we've had with the card reader in the auditorium, please consider bringing cash. Thanks for your support and see you tonight!**
- **Hey Seniors! Would you like to represent your class as a speaker during graduation this year? Sign up for Senior Speaker tryouts! They will be held on Thursday, April 6th after school so use this time to write something your classmates will remember!**

- **Remember, there is no school tomorrow March 17th through March 24th. Have a great Spring Break!**

- **Come to Journalism Club, to help shape and inform your school's community, through stories, social media, and photos. We have a meeting today, Thursday, in Room 306, Mrs. Slaine's room at lunch!**
