It is expected that students who are registering for the AP and Honors classes will remain in the class for the entire year. **The expectation is that there will be no class changes for those students who decide they want a different schedule after the spring registration process has been completed.**

Consequently, each student who wants to register for AP and/or Honors courses, and the parents of these students, must sign this agreement acknowledging this information and agreeing to the terms stated below:

1. Students are expected to remain in AP, dual enrollment and/or Honors courses for the entire school year.
2. The summer assignment is required, will be graded, and must be handed in at the beginning of class on the first day of school. No late papers will be accepted for credit.
3. Students will be expected to take the College Board's Advanced Placement Exam in May 2027 (Currently \$99/test).
