<b>AGENDA ITEMS</b>	<b>DISCUSSION NOTES</b>	<b>RESPONSIBLE FOR FOLLOW-UP</b>
Nursing Home Christmas Field Trip- Report from Blizzeth	Blizzeth reported the event. She described the various interactions the students had with the 10 clients at the Nursing Home. Our contact for the home was Student Lollie who at one time worked at the home. The students made cards and read the cards to the adults, we served hot chocolate, cookies and gifts. Every adult recieved 2 stockings with: socks, 3 cards, various treats. Blizzeth informed us that the event was very successful. This event was great for both the adults and our students.	No follow up needed.
Reviewed the Survey and made selections of 3 topics for Focus Group/ Selected Focus Group Time and Date- Teresa	Teresa went over the graph and survey results. Went over the percentages of the graph and how we can make sure to get parents more envolved and answering the questions. Discussed the change of date from Feb 13 to Feb 11th. Identified 3 areas of the survey that would be good for the focus group to go over to help improve school. Went over the list of names and who will be contacting the list to be in the focus group.	Bruce will contact the parents to recruit the Focus Group Team.
Discussed ideas for the next survey	Teresa talked about setting up tables during Welcome to Success and during our Welcome Week to help promote Family Engagement and TUSD resourse that families might be missing	Teresa will direct Ms. Cook and Ms. Johnson on setting up the tables.
