

Sabino High School
A 2013 National Blue Ribbon High School
An "A" School
Delivering Excellence in Education, Every Day! Grow, Reach, Succeed!

TUSD

July 22nd, 2021

Welcome to the 2021-2022 school year. I am excited to begin this year with some sense of normal and to see you in person. I am equally excited to begin this year as Sabino's Principal. After having served as your Assistant Principal for the past three years, this is an exciting change. Sabino faculty and staff are also excited, and many have already begun preparations in the classrooms to provide a safe and inviting environment.

This year will be unique in many ways, with being fully back on campus, one-to-one technology and some amazing new student interest and engagement strategies learned along the way, it is certain to be a welcomed and energizing experience. Our teachers, counselors, administration, office staff and so many others are here for you, so do not hesitate to reach out.

Students first day of school is Thursday, August 5th. It is important to note that our bell schedule has changed slightly this year. We will begin 12 minutes earlier, 8:03 am, but continue to end at 3:15 pm on Monday, Tuesday, Thursday and Friday and 2:15 pm on Wednesday.

Meals will be free to all students this school year and will be pre-packed. The United States Department of Agriculture has extended pandemic flexibilities providing free school meals to all students at all schools through the 2021-2022 school year.

- No free/reduced meal application is necessary to receive free breakfast and lunch
- All students at all TUSD schools are automatically eligible to receive free meals

As we begin this year with all the fun activities, sports, clubs and collaboration, I want to encourage everyone to get as involved as you can. Sabino is a strong community and that is a reflection your commitment to being an active, positive and visible Sabercat. Thank you for always being role models for how a great school works!

Sincerely,

Mrs. Morse
Principal
Sabino High School
